SOUTHERN HIGHLANDS FORESTRY AND WOOD INDUSTRIES TRADE FAIR

FORESTRY AND WOOD INDUSTRIES
TRAINING CENTRE, MAFINGA, IRINGA

20 - 21 MARCH 2018

What?

The FWITC trade fair aims to bring together all stakeholders in forestry and wood industries, from private tree growers to sawmillers and machinery manufacturers, in a joined event. The purpose of the event is to connect you with the most qualified buyers and sellers in the industry in Tanzania.

When?

On 20 and 21 March 2018.

Why Exhibit?

The FWITC Trade Fair is the premier trade show event for the forest and wood industry in Tanzania to showcase their latest products and services, meet with industry partners and customers, and seek new business opportunities. Don't miss out, reserve your free space now!

There will be as many products and service providers as possible. Small and medium scale tree growers and wood processing entrepreneurs are encouraged to attend.

The trade fair is free of charge for all participants. The Programme will allocate stall positions on a first come first served basis. Participants will be welcomed to visit the site in advance to plan their stalls with PFP staff.

The trade fair categories are:

- A. Forestry and Wood Industries Training Centre Vocational Training Services
- B. Tree Grower and Wood Industry Associations
- C. Financial services for tree growers and wood processors
- D. Forest tree nursery equipment and supplies
- E. Forest harvesting and log haulage equipment
